Extension: Appendix F to Rule 15c3-1

SEC File No. 270-440, OMB Control No. 3235-0496

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (“PRA”), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Appendix F to Rule 15c3-1 (“Appendix F” or “Rule 15c3-1f”) (17 CFR 240.15c3-1f) under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.).

Appendix F requires a broker-dealer choosing to register, upon Commission approval, as an OTC derivatives dealer to develop and maintain an internal risk management system based on Value-at-Risk (“VaR”) models. It is anticipated that a total of four (4) broker-dealers registering as OTC derivatives dealers will spend 1,000 hours on a one-time basis complying with the system development requirements of Rule 15c3-1f, for an estimated one-time initial startup burden of approximately 4,000 hours. Appendix F also requires the OTC derivatives dealer to maintain its system model according to certain prescribed standards. It is anticipated that a total of eight (8) broker-dealers will spend 1,000 hours per year maintaining the system model required by Rule 15c3-1f, for an estimated recurring annual burden of approximately 8,000 hours. Thus, the total industry-

wide burden is estimated to be approximately ² 12,000 hours (4,000 hours + 8,000 hours) for the first year and 8,000 hours for each subsequent year.¹

The records required to be kept pursuant to Appendix F and results of periodic reviews conducted pursuant to Rule 15c3-4 generally must be preserved under Rule 17a-4 of the Exchange Act (17 C.F.R. 240.17a-4) for a period of not less than three years, the first two years in an easily accessible place. The Commission will not generally publish or make available to any person notices or reports received pursuant to the Rule. The statutory basis for the Commission's refusal to disclose such information to the public is the exemption contained in Section (b)(4) of the Freedom of Information Act (5 U.S.C. 552), which essentially provides that the requirement of public dissemination does not apply to commercial or financial information which is privileged or confidential.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

The public may view background documentation for this information collection at the following website, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of

¹ The Commission estimates that a total of eight entities will be registered as OTC derivatives dealers at the end of the next three years, consisting of the four current OTC derivatives dealers and four anticipated registrants. This is in contrast with the prior estimate of five OTC derivatives dealers, consisting of four current OTC derivatives dealers and one anticipated registrant.
